Pursuant to 807 KAR 5:056, Section 1(11), the Public Service Commission ("Commission") issued an Order on December 4, 1985, requiring Green River Electric Corporation ("Green River") to notify its customers of a hearing to be held on January 28, 1986. Green River was not required to appear at the scheduled hearing unless an appearance was requested by the Attorney General's Division of Consumer Protection or other interested parties, or by the Commission on its own motion. Furthermore, Green River filed an affidavit stating its compliance with the provisions of the Fuel Adjustment Clause as prescribed in 807 KAR 5:056. Green River also filed its monthly fuel charges for the 6-month period under review.

Following proper notice, no party of record requested Green River to appear at the hearing scheduled for January 28, 1986. After reviewing Green River's monthly fuel clause filings for the 6-month period under review, the Commission is of the opinion that Green River has complied with the provisions of 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits billed by Green River through the fuel adjustment clause for the period May 1, 1985, through October 31, 1985, be and they hereby are approved.

Done at Frankfort, Kentucky, this 14th day of February, 1986.
